

FOOD RECALL

Pickled Clams
180g

Use By dates 191119 and 281119

Koryo Food Co. is conducting a recall of the above product. The product has been available for sale at independent Korean/Asian Grocery Stores in NSW.

Problem: The recall is due to possible microbial (Hepatitis A virus) contamination.

Food safety hazard: Food products contaminated with Hepatitis A virus may cause illness if consumed.

What to do: Any consumers concerned about their health should seek medical advice and should return the product to the place of purchase for a full refund.
